

Klasse 10a - Geschichte

Selbstständige Vorbereitung auf die Klassenarbeit „Jugend in Ost und West“.
Nutze dazu die Wiederholungsseite im LB und deinen Hefter!

Dear 10a,

since you're probably very disappointed that we don't have our regular English lesson today, I have some tasks for you to eliminate your boredom ;)

Book p. 82

- read the text and do the tasks on p. 83
- read the text again and check for new vocab → write them down in your vocab list, translate and learn them
- imagine your mum reads the text too, but doesn't understand it → translate one paragraph for her
(paragraph 1 – window row, paragraph 2 - center row, 3 – wall row)

See you on Thursday! Don't forget to bring your tasks!

Best wishes

T. Herrmann
